**H**e said to him, “See that you tell no one anything, but go, show yourself to the priest and offer for your cleansing what Moses prescribed; that will be proof for them.” The man went away and began to publicize the whole matter. He spread the report abroad so that it was impossible for Jesus to enter a town openly.

Dear Parishioners,

I understand that you often do not see the vibrancy and energy within our parish as I might see it, but lately we have had a number of things that have highlighted, for me, the active life of our parish family. We have recently held two new and what hopes to be regular events within our parish: the Spaghetti dinner and the Chili feed. While both are fundraisers, they are also events that bring the community together to interact and come to enjoy and get to know one another better. Each event was a success and we hope that they will continue to grow and strengthen our community.

Also, we are drawing close to a major project that is possible due to the We Belong to Christ Capital Campaign. While this campaign is wrapping up the five year collection phase, we will finally be able to see one of the major needs of our parish be answered. This spring we will see a new roof go on St. Patrick's Church. This great accomplishment is credited to all who participated in any way in the capital campaign along with the wonderful gift of the Joseph (Clyde) Pavelski estate. Our parish continues to grow and the great work that we do helps us grow closer to God and each other.

There will always be further opportunities as well as further needs of our parish, two sit directly at our doorstep. The opportunity that is before us is the Catholicism DVD series that offers us a chance to delve into the understanding of the Church that Jesus Christ founded and resides in its fullness in the Universal Catholic Church. I encourage you to come to these presentations on the Thursdays from Feb 9<sup>th</sup> to Mar. 29<sup>th</sup> from 7-8:30pm.

A challenge is the need to purchase a new oven for our St. Patrick's kitchen. Our old oven has seen better days and can no longer be repaired to work properly. This expense is about \$7,000, to conduct our upcoming Lenten lunches, spaghetti dinners, Valentine's Day dinner and St. Patrick's Day dinner we will have to move quickly to purchase and install this new equipment. I trust, as I have so often, in your understanding and generosity in this matter.

I hope you are excited as I am in all the good our parish continues to do in building up a community centered on God and love of neighbor.

In Christ,  
*Fr. Bill*
